

STAGE PAD QUOTE REQUEST

Here is the information we'll need to build your stage padding...

Questions about your order?

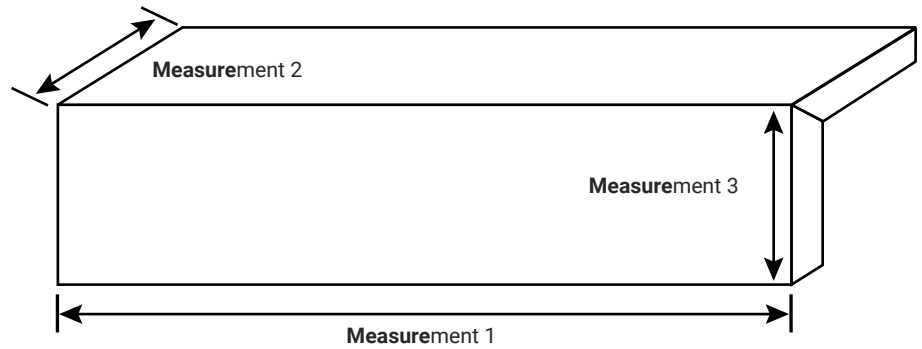

1-800-875-7780

Colin@fullcirclepadding.com

- Fill in the measurements of the stage based on the diagram below. If you require pricing on different sized stage pads, please use a separate form for each.
- Measure carefully and always double-check your results. **Pads are made to order and are not returnable.**
- Vinyl color charts are included in this PDF.

MEASURING YOUR STAGE

- Fill in measurements for the stage below. Measure the stage itself, not the existing padding. Foam thickness is 1 3/8" Crosslink foam.
- Stage pads will have Velcro sewn to the back with self adhesive attached.

Most orders will ship by truck with a tailgate delivery. The truck driver is only responsible for moving the pads to the end of the trailer. You will be responsible for removing the pads from the truck, checking them over for damage and bringing them inside. You must check carefully for damage and note it on the bill of lading before the driver leaves. Any damage reported after the driver leaves will not be covered.
