Commercial Residential Address / School Address

Most orders will ship by truck with a tailgate delivery. The truck driver is only responsible for moving the pads to the end of the trailer. You will be responsible for removing the pads from the truck, checking them over for damage and bringing them inside. You must check carefully for damage and note it on the bill of lading before the driver leaves. Any damage reported after the driver leaves will not be covered.

Information needed for stage padding is listed below. Fill in measurements for the stage below. Stage pads will have Velcro sewn to the back with self adhesive attached. When measuring, measure carefully and double check your measurements. Pads are made to order and are not returnable.

Measure the stage itself not existing padding.

Foam Thickness: 1 3/8" Crosslink foam

Check here for information about custom digital graphics.

If you have any questions please call us at 1-800-875-7780 or e-mail Colin@fullcirclepadding.com
